BENEFITS INCLUDE:

❖ The www.cnpa.org website is the central hub of information on all aspects of the Carolinas' Nature Photographers Association. Included is a Members' Gallery where members may post their images and view the work of others. Regional activities are posted and information is shared through regional email lists.

❖ A dynamic, **extended-weekend Annual Meeting** where top-name professional nature and wildlife photographers share their expertise, members compete with one another in our own Members' Choice Contest, photographic outings are scheduled in the area of the Annual Meeting and vendors and industry sales representatives are available.

❖ *Camera in the Wild* is a member generated, full-color quarterly newsletter with articles of interest to nature and wildlife photographers. Members now have the opportunity to become a "published" author by submitting articles and photos to share with the membership. The winter issue is a CNPA handbook in full color, which is mailed to each member. This handbook is a guide to all aspects of CNPA and features the annual meeting to come.

❖ CNPAers are organized in **ten geographic regions** in the Carolinas where activities are scheduled, which are relatively close-at-hand. These regional activities often include meetings, workshops and field outings. The regions enable associates to network with other photographers of like mind and share in experiences and skill building.

LIABILITY RELEASE:

As a condition of membership with Carolinas' Nature Photographers Association (CNPA) I agree to release from liability and to hold harmless CNPA and its officers, agents employees or assigns for any injury, including illness, accident, emergency and/or death and for damage to or loss of personal property, including equipment, film and memory cards while participating in any activities affiliated with CNPA.
