

MYRTLE BEACH CNPA PHOTO CONTEST

For the August 2010 meeting we will have our first photo contest! This will be a "members Choice" of subject material and members will vote on the first and second place winner in each skill level (see below). Ribbons will be awarded. Tables will be set up with expertise levels marked. This contest is planned to be a fun experience and an opportunity for members to grow in confidence and ability. We hope to have a contest every few months. As interest is shown and participation grows, there will be themes tied into outings or special interests of the club and there may be judges from outside the organization.

RULES

Three levels of competition

Each individual will decide the level they should compete in

- (1) Beginner
- (2) Intermediate
- (3) Advanced

Sizes

The image must be 10 inches on the longest side (10x10, 8x10, 6x10, etc)
